

Historic Plaque Application

If your New London home/building is at least 50 years old, it may qualify to receive an historic plaque listing its construction date and original owner. The information gathered in this process aids in neighborhood preservation efforts.

Our volunteer title researchers study land, tax and water records, historic maps and city directories to establish your building's first owner and to determine the date of its construction.

The researchers also welcome any oral history or copies of old documents relating to your building that you may have. Please allow at least 16 - 20 weeks for completion of the research and delivery of the durable, hand-lettered, sealed hardwood plaque.
