HISTORIC HOUSE PLAQUE APPLICATIONS

If your New London home/building is at least 50 years old it may qualify to receive an historic marker listing its date and original owner. The information gathered in this process aids in neighborhood preservation efforts and is archived in our office for future generations.

Our title researcher will study land, tax and water records, historic maps and city directories to establish your building's first owner and date of its estimated construction. The researcher also welcomes any oral history or copies of old documents relating to your building. Allow at least 16 – 20 weeks for completion of the research and the durable, hand-lettered and sealed hardwood plaque. (as seen below)
